Verse 1
 C (1)
You show up
        Am (6)   F (4)
The power of death is broken
Just one touch and I am changed
From your lips
My true name you've spoken
Your calling out
Who I've always been

Chorus (Same as Verse)
I'm taken off the grave clothes
I'm putting on life
I'm taken off the grave clothes
I'm putting righteousness

Verse 2
You step in
Crushing every stronghold
All my sin
Beneath your feet
Just one word
And You awaken my soul
I trade these rags
For who You say I am

Bridge
        C (4)
I'm gonna sing it till I mean
Till all my doubts have been defeated
I'm gonna sing it till I mean
              Am (6)   F (4)
We're gonna see the dead walk out
