

STEPHEN MCWHIRTER

NOW I KNOW

Stephen McWhirter, Bryan Fowler

(Key of G)

Verse 1

G (1)
I was caught
D (5)
In the rising tide
C (4)
There's been times
G (1)
I thought I wouldn't survive
You reached down
And pulled me from
The darkest water
And into your Love

Chorus 1

G (1)
I've been up
D (5)
I've been down
C (4)
I've been lost
G (1)
But now I'm found
Em (6) **D (5)**
I am washed by the blood
C (4)
The blood of the lamb
G (1)
Now I know who I am

Verse 2

I was buried
underneath regret
All my dreams
Where left for dead
You rolled every stone
That keep from where
I've always belonged

Chorus 2 (2nd half)

Now I'm changed now free
All my past has been redeemed
I am washed by the blood
The blood of the Lamb
Now I know who I am

Bridge

G (1)
Now I know
Now I know
Now I know who I am
